Chapter 3
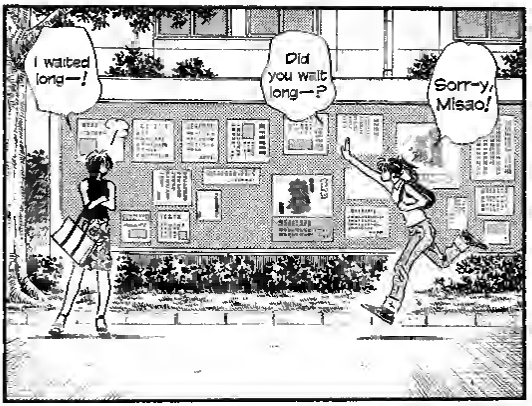
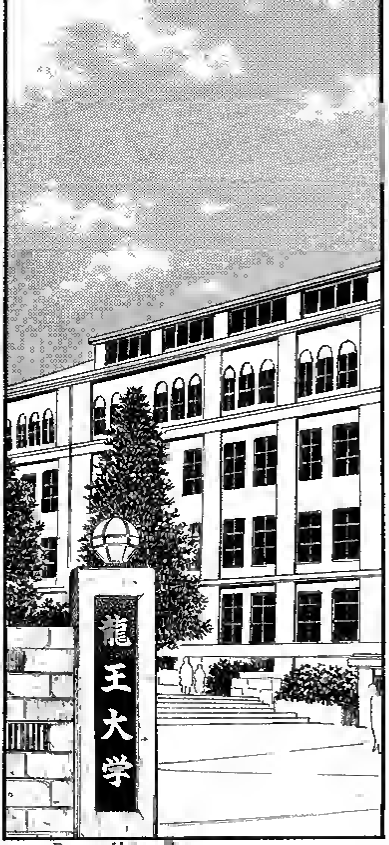
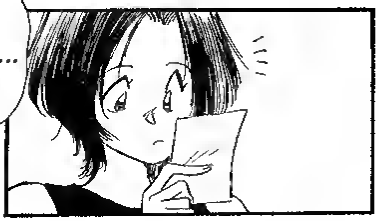
As I Thought, I...

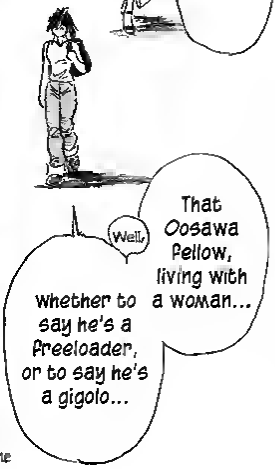


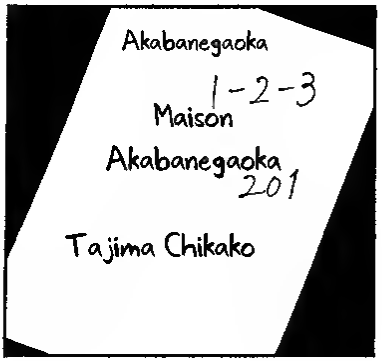
2



Ryuuou University



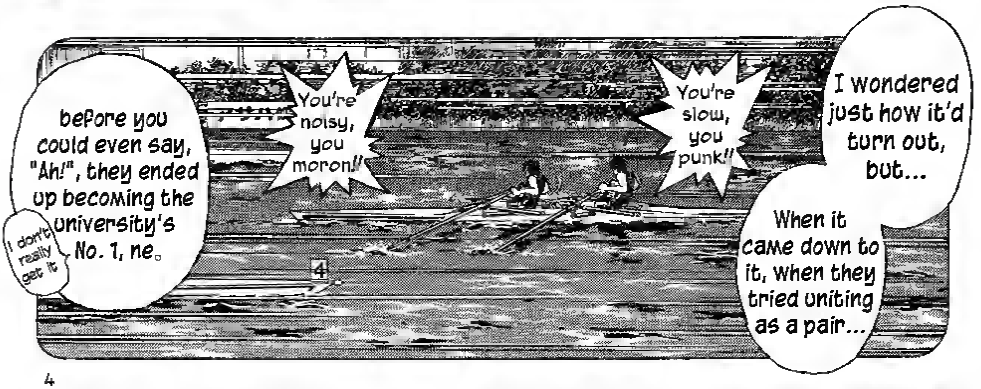




"gigolo" - The JP here is "himo" which does not necessarily refer to the male-prostitution aspect of gigolo, but perhaps more the financial-dependency-on-a-woman aspect.

Misao, will going alone be all right?
Maybe I should come, too?
It's fine, it's fine.
I'll be all right alone...
Whether to say he's stubborn...
Or whether to say he's awkward...
But, you know,
Will he return so obediently? That Oosawa fellow...
since he has some pretty STUBBORN parts about him, you know...
3
Ne- Ne-
Speaking of Oosawa, he was at the same high school as Misao, right?
Mm.
the same West High...
not only that, the same class for 3 years...
Uwa~~~!
That's unheard of...
In the end, we couldn't win even once for 3 years...
As it goes, the Boat Club was famous within the prefecture, but...
It wasn't able to become No.1, ne...
Ahh.
Kurata-kun was at East High, right.
And so, the two of you at the same university... huh.

Did you know, Misao...?
The time when those two first entered the boarding house...
Wh-y are YOU here!?
That's what I should be saying!
I know, I know,
they suddenly fought in a scuffle, right?



I wondered just how it'd turn out, but...
When it came down to it, when they tried uniting as a pair...
You're slow, you punk!!
You're noisy, you moron!!
before you could even say, "Ah!", they ended up becoming the university's No. 1, ne.
I don't really get it.
4

I ask of you, Misao!
Make sure to bring him back!
Yeah ...!

The Golden Pair ended up becoming a legend, but...
At the least, I just want Oosawa to make his return...
Un...

Every day, every day— Really, now...
Again ...?
Ah—! I'll DO it! I'll DO it!
He doesn't love Chiiko anymore...
He doesn't love...
A goodbye CHU ♡
Mm — Well, Maa-kun...
Hai.

Mm〜—
I'll be waiting! I'll be waiting!

Wh—y are you being so silent...
If you've got business, then hurry up and say it...

The Boat Club...
Come back to it...

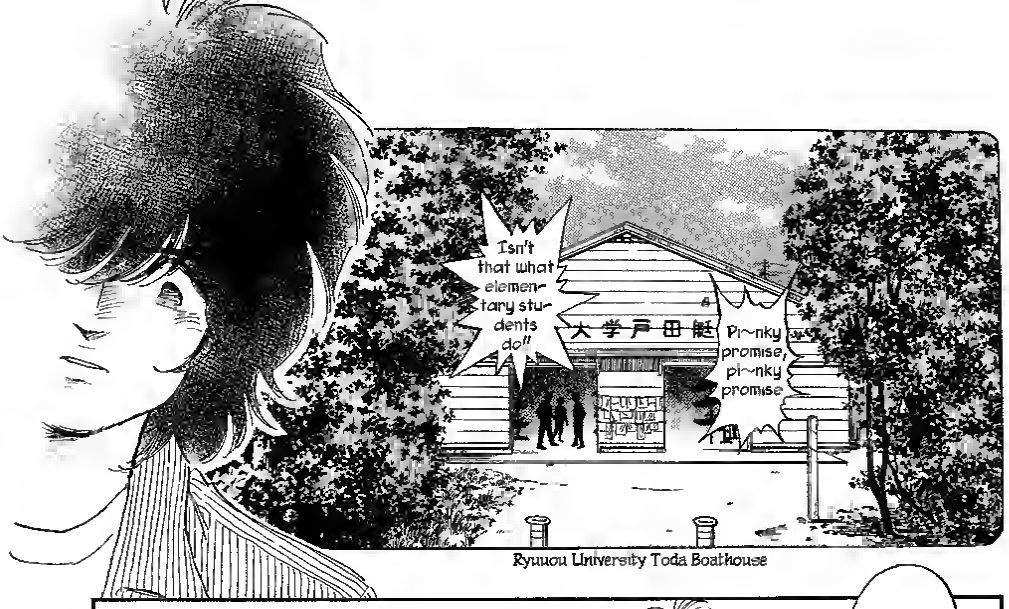
I won't row a boat a second time!
I've already left the oars behind!
Wait, Oosawa-kun...
Every last one of you is so persistent...
After the Captain is you...?
Really now

The three of us even made a promise...
Have you ended up forget-ting...?
What will you do about the promise?
And the promise...?
Or perhaps ...
I was the only one who took that promise seriously?
10

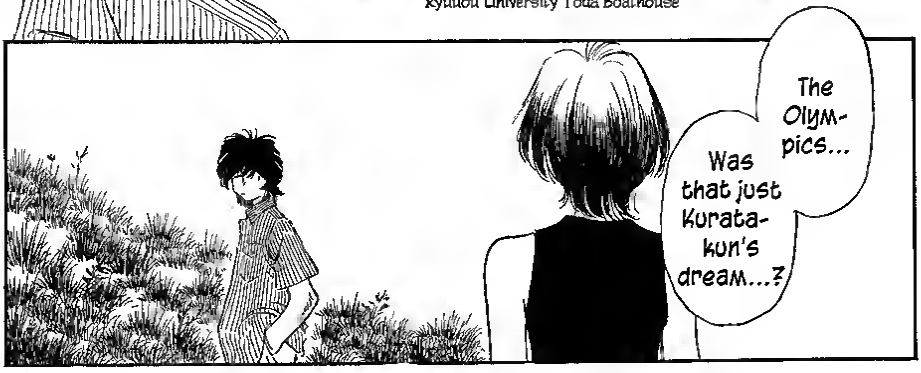
You're aiming for the Olympics for real?
Hold on, you guys... For real?
SFX: Bicha (Splat)
Bu—
Ryuuou University Toda Boathouse
O...
Olympics!?
Kurata...
"The Olympics", that means crushing the Toumei Denryoku Itou • Ueyanagi pair, right?
Do you know the difference in our times?
Just what're you hoping for? In your forecasts!
By my forecasts, it's within range...
ROCK&ROYS
Idi—ot!
Buu-
Wha—t'll you do if someone hears!
Your voice is loud!
Isn't it fine if they hear...
Since it's true...

61 "Toumei Denryoku" - Literally means "Toukyou-Nagoya Electric Power", and seems to be the Itou • Ueyanagi pair's nickname. Sounds weird in English, unfortunately.

If we've got Oosawa's horsepower and my brains, the FINALS, much less participation, isn't a dream.
Wait a second, Kurata!
Doesn't that make it sound like I'm just another muscle-bound idiot!
That's exactly it, you know!
It's thanks to my spurt that we win, you know!
It's because I skillfully allocate our pacing!
12
All of us, let's go!
Let's go!
The Olympics!
RRC

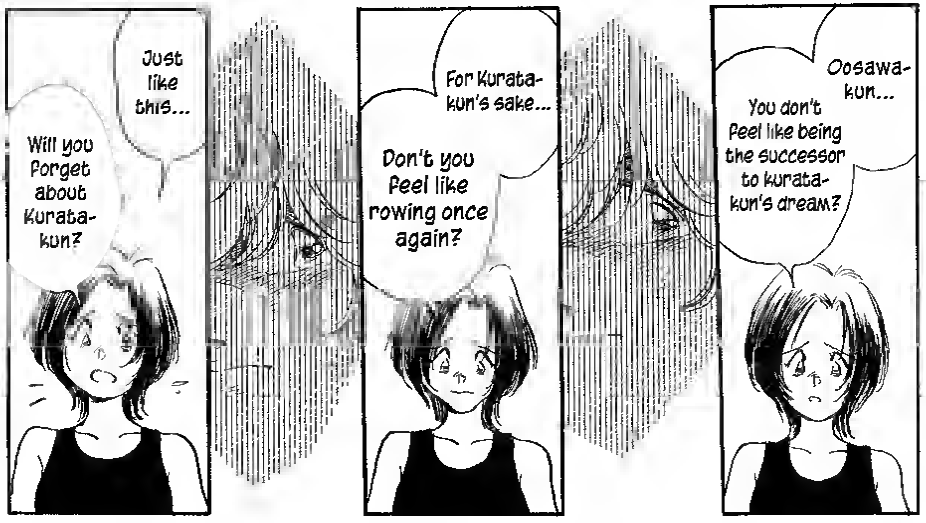


Isn't that what elementary students do!!
Pi-nky promise, pi-nky promise
Ryuuou University Toda Boathouse



The Olympics...
Was that just Kurata-kun's dream...?

13

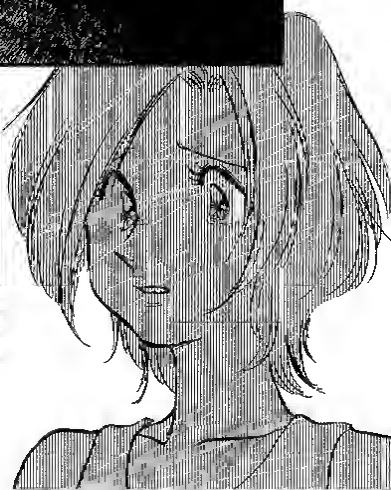


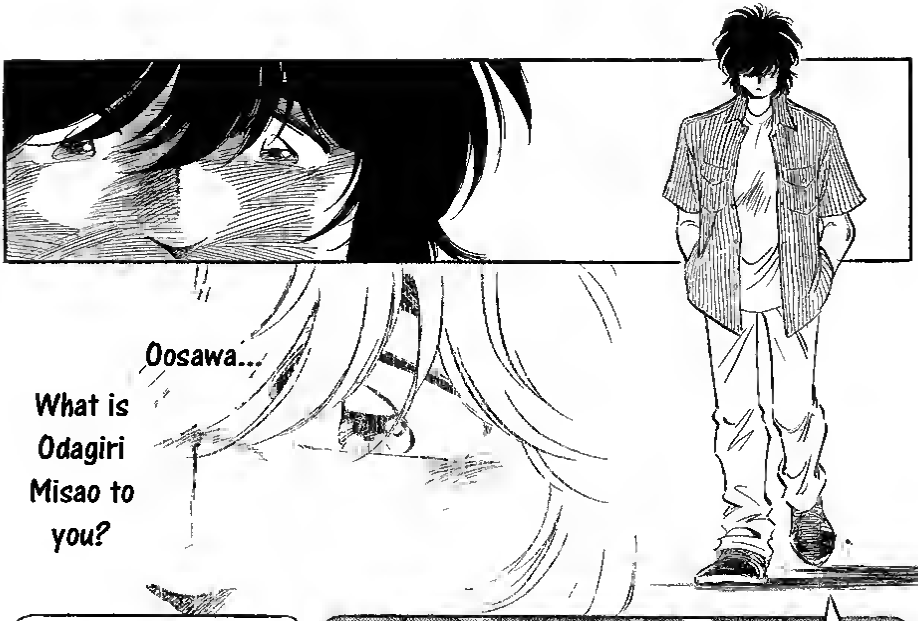
Just like this...
Will you forget about Kurata-kun?
For Kurata-kun's sake...
Don't you feel like rowing once again?
Oosawa-kun...
You don't feel like being the successor to Kurata-kun's dream?

Don't force your sorrow onto me!
Cry by yourself!

Saying Kurata, Kurata, you're so noisy!!

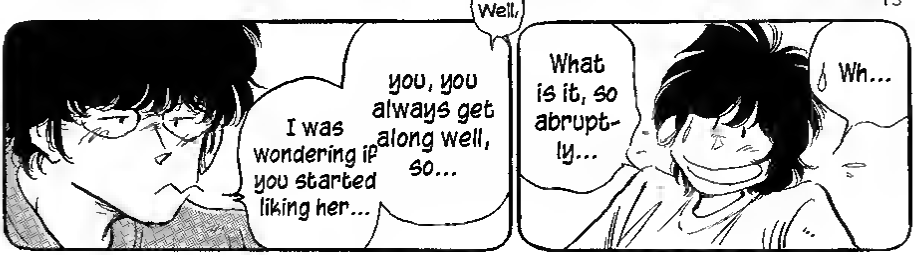
O...
Oosawa-kun...





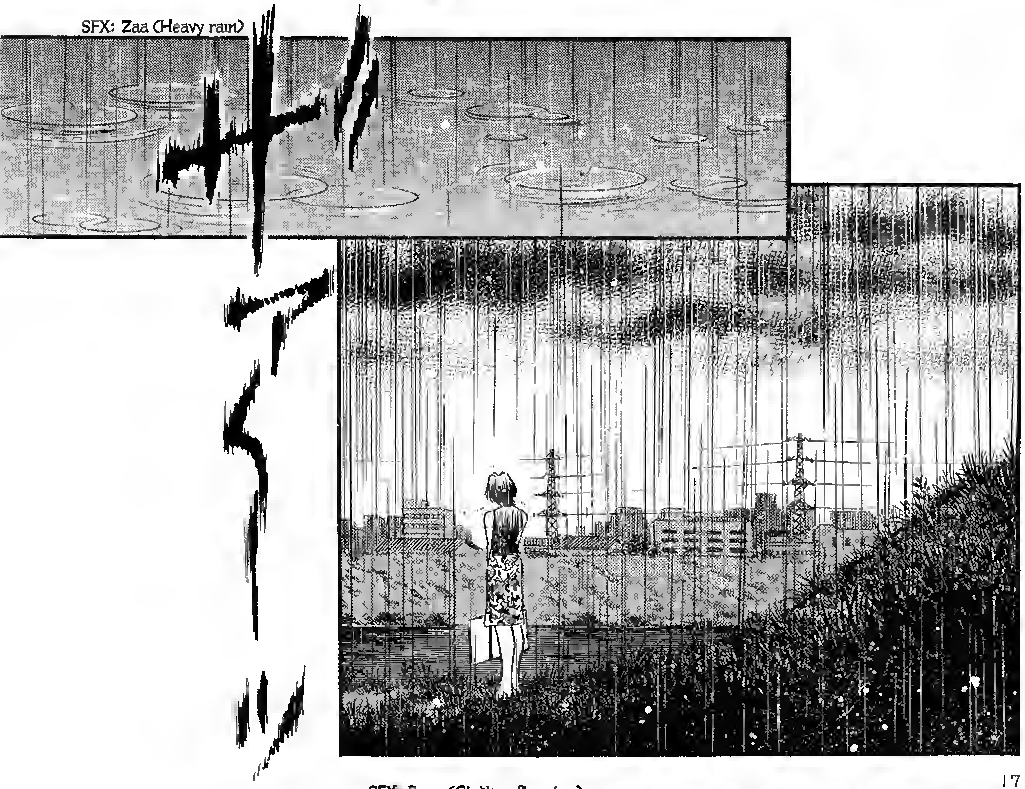
SFX: Go Go Go (Rowing machine sounds)

15



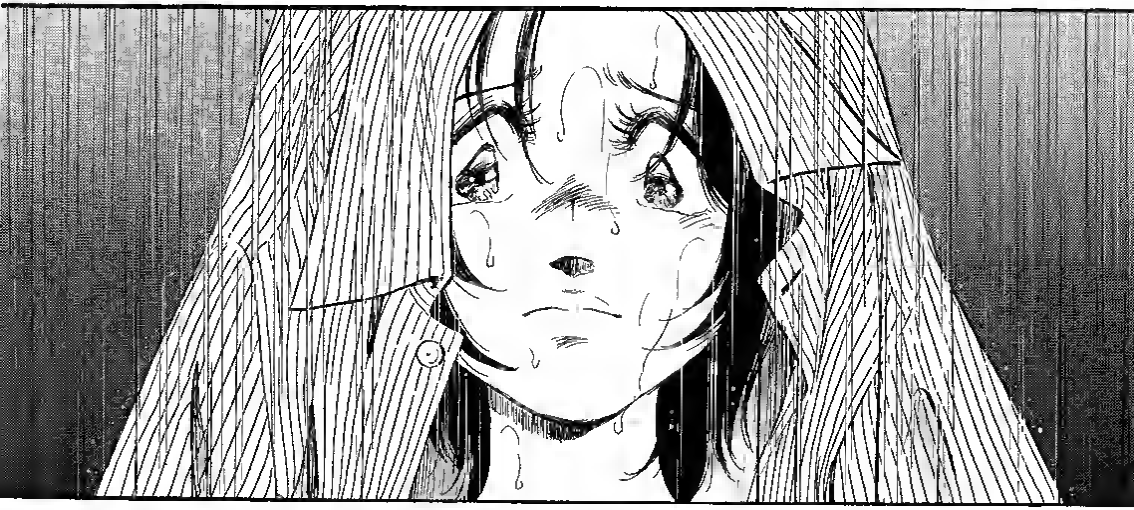
Th...That person, at the same high school...
The same as it was since long ago, I just see her as a person I fight with...
Ju... Just what are you saying, you...
I see, I see.
If that's it, there's no problem...
Well?
I've started liking her...
SFX: Po (Drop)
Oh,
Oh.
Oh,

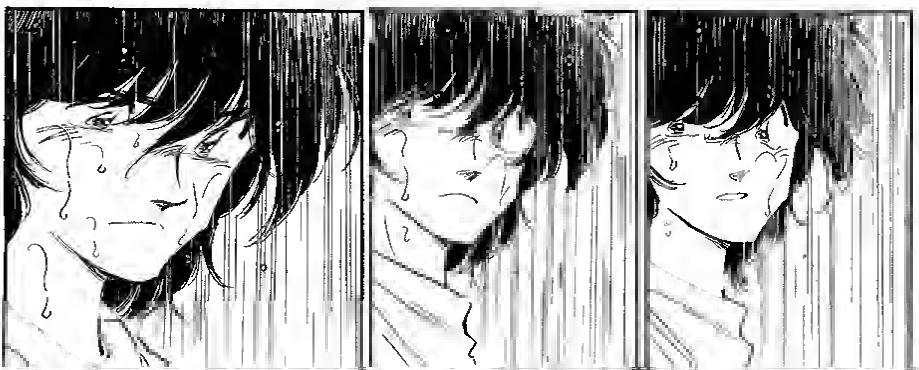
SFX: Zaa (Heavy rain)



SFX: Basa (Clothes flapping)

I'll take you as far as the station...
Just wha—t are you doing...
You'll catch a cold...





SFX: Basha (Impact of wet clothes)
I, by myself...
can't do anything.
Give up...
SFX: Ban ban (Pound pound)
idiot ...

Oosawa, you idiot...
Idiot...
SFX: Ban (Hit)

Kurata...

As I thought, I...

Sorry for lying...

I like her...

I like Misao...

Kurata...

and still you continue to live on within Misao...

Quitting while you were ahead...

That's dirty, Kurata...

TRANSLATOR NOTES

Page 056

"Ittekıma〜〜〜〜su" (「いってきま〜〜〜〜す」) - Literally means "to go and come back". It is commonly said when leaving the house in Japan (Lifted from my TL of Minami-ke chapter 97)

"Itterasshai." (「いってらっしゃい」) - Originally "行ってらっしゃい" but more commonly written without kanji ("いってらっしゃい"), this is commonly said to people leaving the house. Most people translate it as "Have a good day" or "Take care". However, a more literal translation is, "Please go and then come back". "Itte" ("行って") means "go", and "らっしゃい" is a special honorific verb form that means "come" (Lifted from my TL of Minami-ke chapter 97)

General Notes

You may have noticed that some of the sentences end with circle periods (「。」) that the Japanese use. Generally, manga dialogue contains absolutely no periods at all. But those circle periods were used in the original Japanese in this manga——their purpose is to underscore a sentence a character has said. So it's a kind of emphasis.

**"repêchage" - A commonly used term in rowing ladder tournaments, it is essentially the consolation matches.

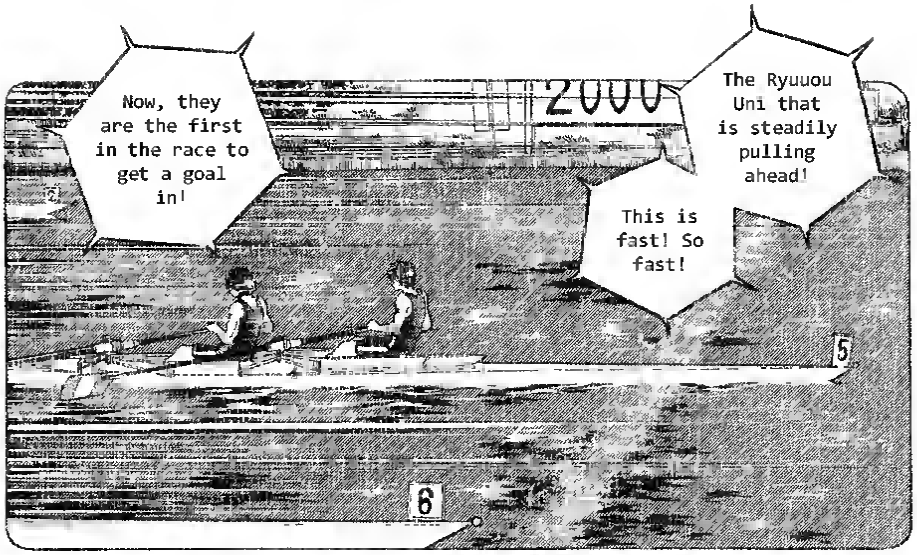
[1]"catch" - A rowing term. It is one of the two parts of a stroke in rowing, and is the location where the oar's blade is put in the water.
[2]"2 techniques" - I'm assuming this is referring to the two parts of a stroke—the catch and the extraction. (The catch is where the oar is put in the water, the extraction is the removal of the oar from the water.)



Now, they are the first in the race to get a goal in!
The Ryuuou Uni that is steadily pulling ahead!

I'd better start hitting the bottle too...
No good...

Nacchi is clearly No 1.
No, no.
If we're talking Morning Musume, Gomaki's the best!
they were the mood makers, those two, right?
And everybody else was able to tap into that power.
Like, there was always this aura around them...

4 *Morning Musume is a J-Pop group with a periodically changing lineup of about 10 (generally teenage) girls. Gomaki is the nickname for Goto Maki, a former member. Nacchi is the nickname of Natsumi Abe, another former member.

What're you doin', Misao!!
Hurry up and haul his ass back here!
We've gotta breathe some life back into this club!!

If you don't do this, who's gonna!?

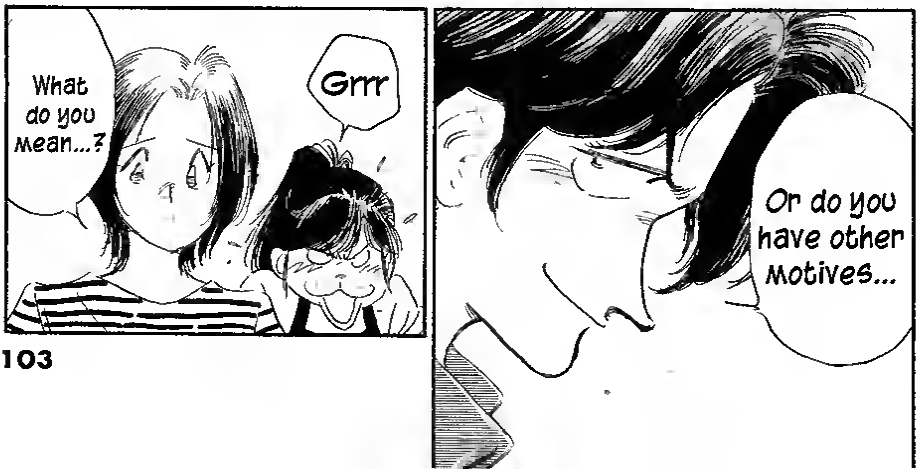
I'll bring him back...
no matter what.
I get it already.
Okay, okay.
Please, Misao...!!
I'm begging you...

Listen to you.
Why don't you give it up already...
How long are you gonna depend on someone who's not even here...?
Are we reenacting some lame-ass, cheesy, old drama here?
So stupid
...Yagi-kun
Who do you think you are!?
Who
6
To put it clearly, Kurata-san and Oosawa-san...
Hic
have nothing to do with this...
I'll admit that everyone's motivation has suffered,
but that's our own problem, isn't it?

What!?
Keep talkin', I dare ya!!
It's true...
What happened last year was that
one guy in our lineup died and another ran away...
And that's all, right?

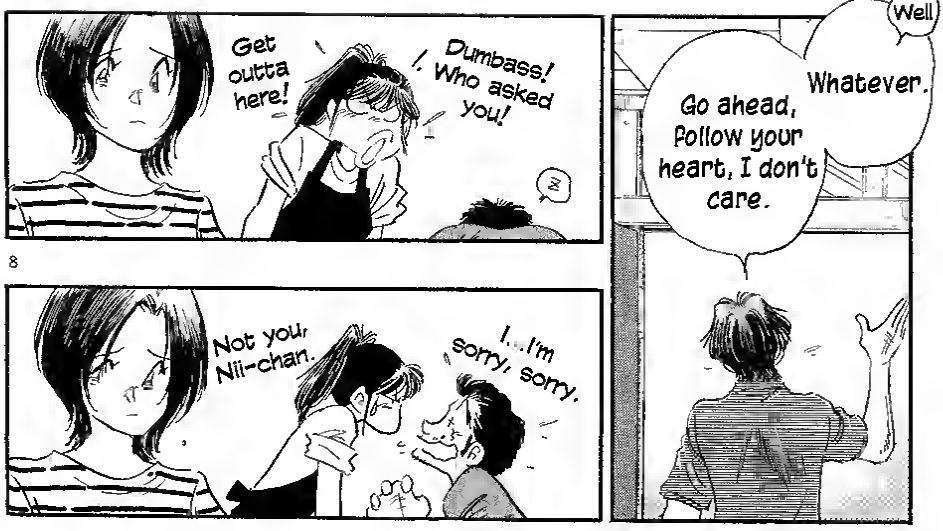
Sfx Urgh
Anyway, Odagiri-senpai, are you really bringing Oosawa-senpai back here because you have the club's best interests at heart?

7



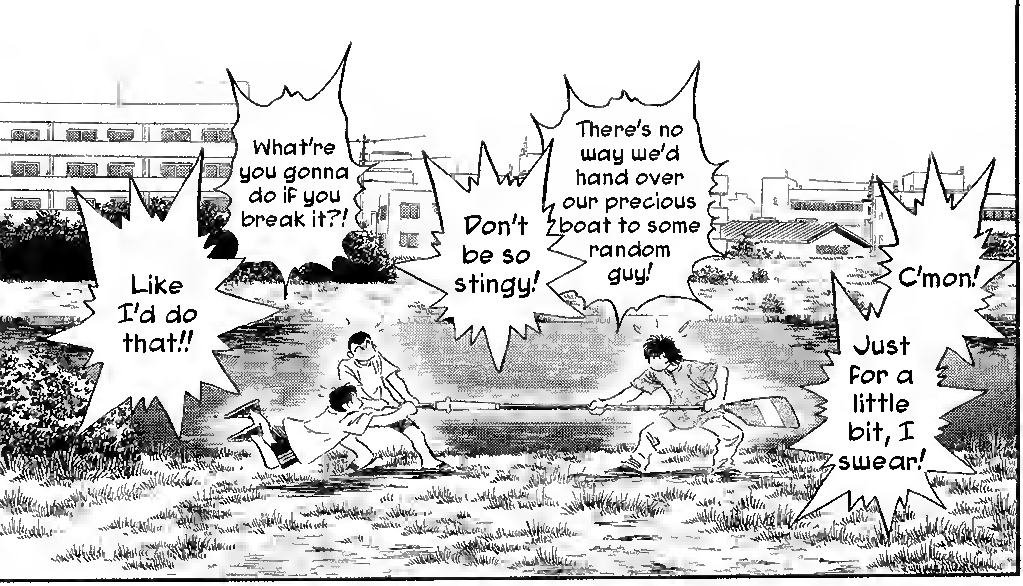
What do you mean...?
Grrr
Or do you have other motives...

An awfully cozy scene...
Kurata-san would burn with jealousy if he saw that...
I saw you...
holding each other in the rain...



Get outta here!
Dumbass! Who asked you!
Well
Whatever.
Go ahead, follow your heart, I don't care.
Not you, Nii-chan.
I...I'm sorry, sorry.

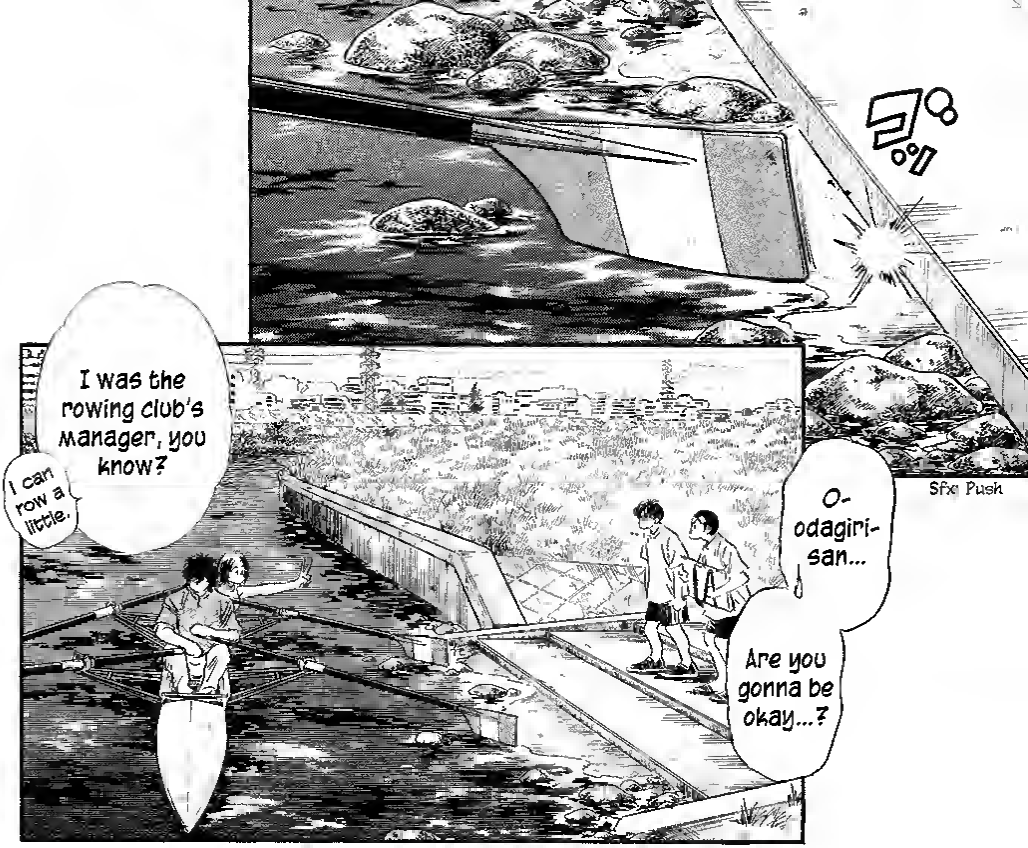
Yawn
I'm ... sleepy ...
Hey, keep your end up!
Hey
Are you for real...
Are you seriously gonna come out here and row every single day?
Didja forget our bitter defeat at the All Japan prelims!?
At this rate, us first years are gonna have to work our butts off and take over!
How can I remember?
It's not like we were in the race...
Shove it!



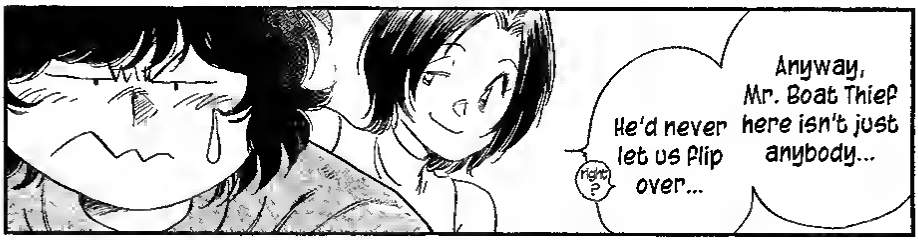
What're you gonna do if you break it?!
There's no way we'd hand over our precious boat to some random guy!
Like I'd do that!!
Don't be so stingy!
C'mon!
Just for a little bit, I swear!

It's okay.
Boat thief!
Thief!
C'mon, just let me take it for 5 minutes!
Who'd steal this thing!

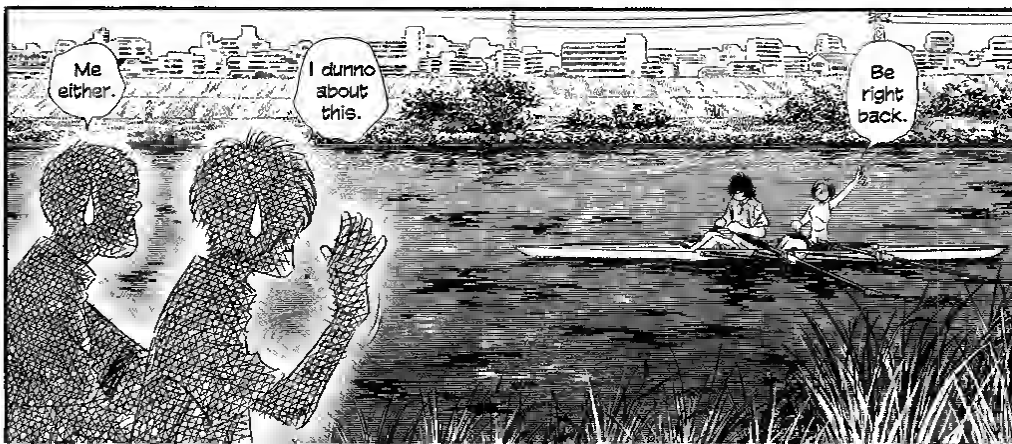
I'll take responsibility.
So let him take it...



Sfx: Push
O-odagiri-san...
Are you gonna be okay...?
I was the rowing club's manager, you know?
I can row a little.



Anyway, Mr. Boat Thief here isn't just anybody...
He'd never let us flip over...
right?



Me either.
I dunno about this.
Be right back.

Why'd she have to get on?
Why'd it end up like this...
Shit
How do the oars feel after all this time, Oosawa-kun?
Geh
Lemme tell you, this is just 'cause I've been wanting to get some exercise...
Not 'cause I changed my mind or anything.
Don't get me wrong.
Exercise?
Then why don'tcha go a little faster?

Keep your eye on the catch!
All right, I'm pow-ering up!
So loud...
Relax! Relax!
Recover, Follow through ...!!

What did you mean when you said
you killed Kurata-kun?
Why did you guys have to race that day?

That is the easiest way to settle the argument, right?
And if Yagi wins, Oosawa will quit...

You can stop with the introduction...

Chapter 8
Long Spurt

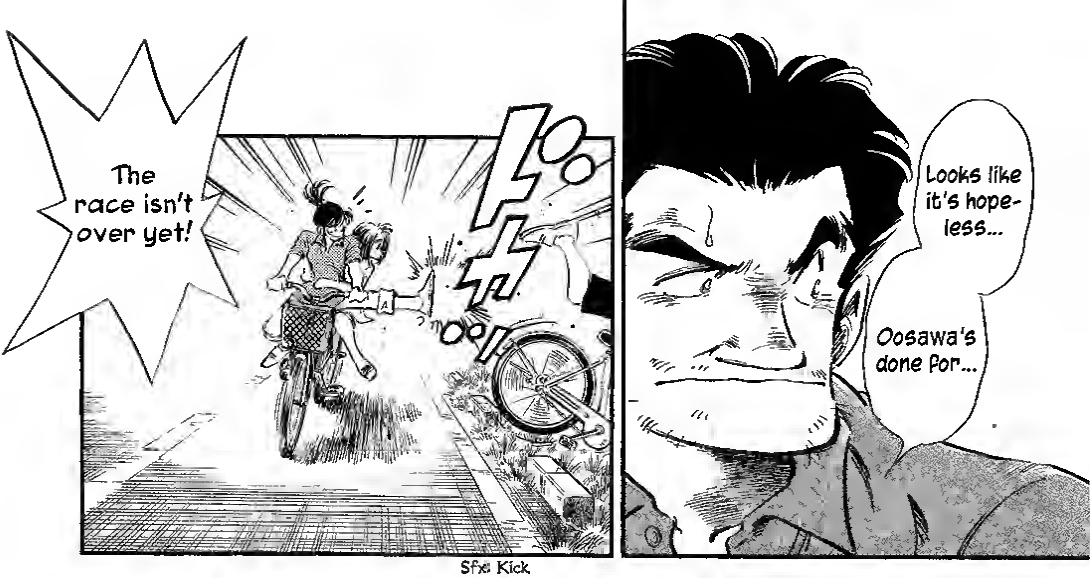
Oh, wow!
Yagi's picked up a 3-length lead before the 1000m mark!
At this rate, who knows whether Oosawa will be able to recover before the goal!
2
The race's been decided in a flash!
Yagi's the clear victor!
Look at Oosawa!
He can't keep this up until the end!
I guess you can't recover from a year's absence in one week of training after all!

Says who?!
Looks like Oosawa-senpai's gonna have to quit...
It's... no good...
SFx: Kick
You're gonna have to quit if you lose to Yagi!
What're you doin', Oosawa!!
You've gotta raise your pace!
3
What's going on, Oosawaa!!
Yagi!!
Keep it up!
Catch up, catch up!
Keep going and end him!!

I'm 3 lengths ahead at the 1000m mark...
It's my win...!
And then, I'll secure my victory with a spurt in the final 250m!
From here, I'll keep this lead and conserve my strength...
You'll never...
catch up to me, Oosawa-san.
3 lengths is basically a decided victory...
Bro...
He's only 3 lengths ahead!
Oosawa!
Gooo!

You row with your back toward your goal, so pulling ahead is essential...
Meanwhile, the one left behind can't judge exactly how big the distance between them is...
And begins to lose hope...
You can pace yourself while keeping an eye on your opponent, and concentrate with peace of mind.

SFx: Slice
That hopelessness becomes anxiety...
Which upsets the rower's form...
And ensures his loss...
SFx: Splash



The race isn't over yet!
Looks like it's hopeless...
Oosawa's done for...
Sfx: Kick

That's right...
There's still time...

Right...?
Oosawa-kun...

Tch

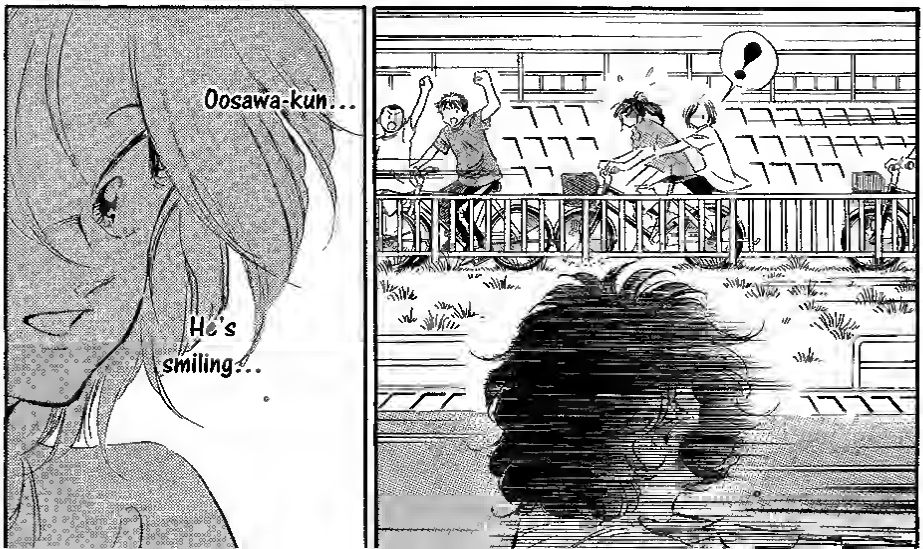
Oosawa...
Why do you rely on brute strength like that...?
Don't fight the water...
C'mon, let's do this...
Now, make big strokes...

Aim for the catch!
That's right!!
A powerful drive!
Don't pull away from the water!
Go for the finish!!
Sfx: Swoosh

Now...
Let's go!!
Look at that, you're doing it!
Just like that!

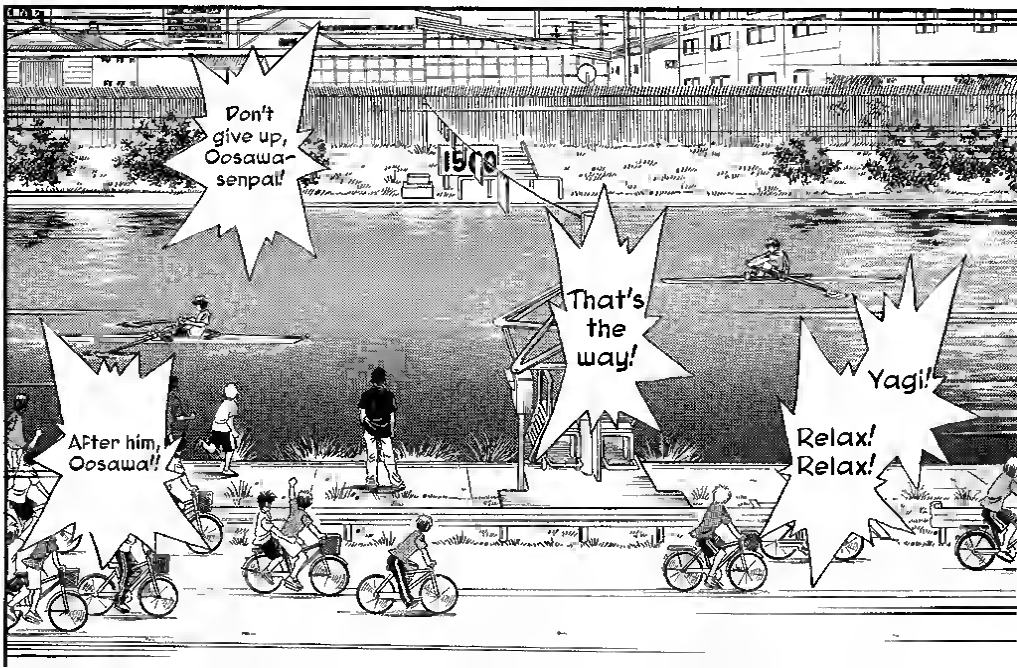


Oosawa-kun...
He's smiling...
!

1500
A long spurt, starting from the 1500m mark?
1500
11
If such a guy existed ...
he'd be a monster...
There's no way...
I've never seen anybody who could row that hard for that long.
Then I'll introduce you next time...
to the monster...

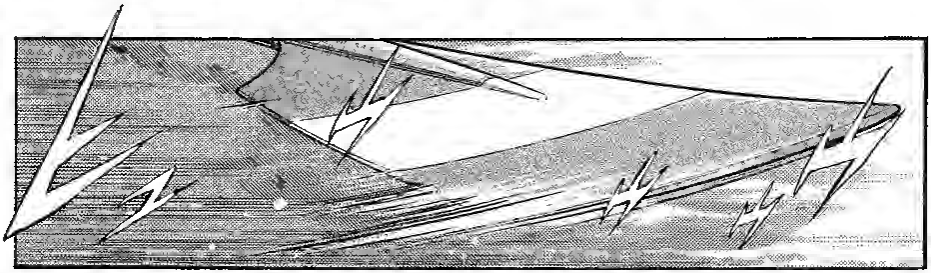
All the way...
to the Olympic podium...
I'm gonna go all the way with him...

Yeeeah!!
Gooo!!
Keep it up!!

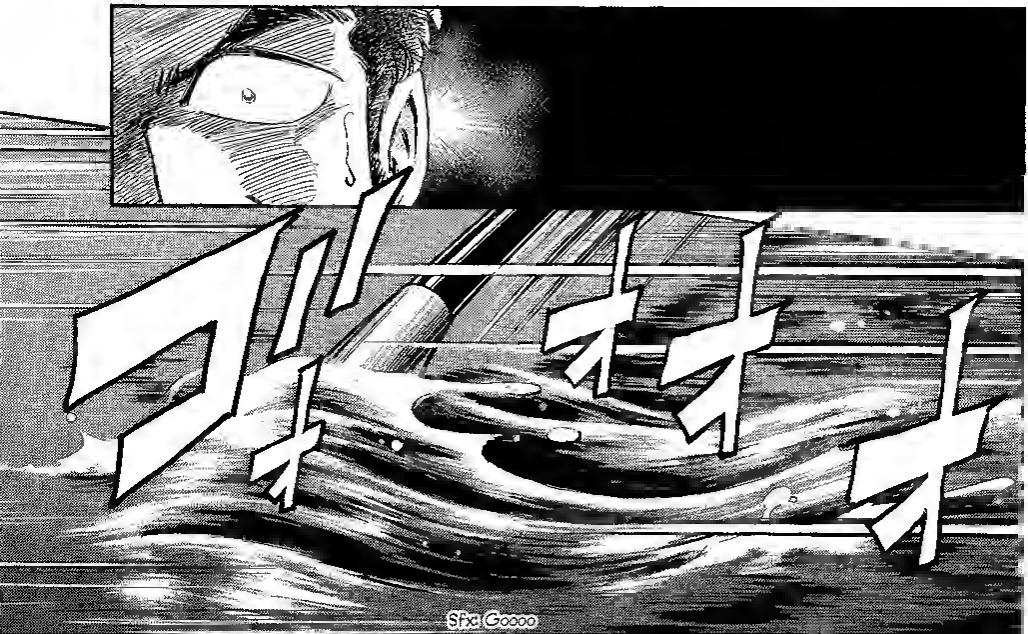


Don't give up, Oosawa-senpai!
1500
That's the way!
Yagi!
Relax! Relax!
After him, Oosawa!!

Gooo, Oosawa-kun!!
Whoa!
There's 500m left!
If he plans to catch up from here, that means...
3 lengths at 1500m...



Sfx: Whoosh



ゴオオオ
Sfx: Goooo

Sfx. Rumble
Geh
Oosawa raised his pitch!
Idiot!
It's too soon!
Yeeeah
Goo! Oosawa!!
Amazing!
He'll catch up at this rate!
Look at that speed!
Whoooog!
He's steadily closing the gap between him and Yagi!

If Oosawa can maintain his spurt for 500m and squeeze out a win...
Yagi's last spurt will most likely cover the last 250m
Don't raise such a fuss yet!
I've still got plenty of power left!
There's... no way he can keep up this speed for 500M!
Then, he really is a monster, Kurata...
15
1750
250m remaining!
They're neck and neck!!

It stops here!!
Hmph
You've put on a good show, Oosawa-kun...
However...
He's pulling away again!
Yagi's kicked off his spurt!
No
They're even again!!
Oosawa's just eating distance!!

Goo, Oosawa!!
Take the lead!!
Fight, Yagi!!
There's... there's no way...
Why can't I pull away from him...?!
There's no way someone can maintain a spurt for 500m!
There's no way he can keep this up till the goal!
100m remaining!!
The winner will be me!
I'm going to win!

Go!
Go!
Gooo, Oosawa-kun!!
